FOR COMPLETE ODOR ELIMINATION  
DESTROYS ODORS

**Fitzgerald's Odor Foggers** - Are not a cover up, but a true odor oxidizing agent. Use it to combat smoke or fire odors, flood, mustiness, engaged a skunk, decayed matter or any annoying odor regardless of its source. These total release products will destroy all odors in a car with heavy-duty odor problems or any home-size room or individual office or any other place that is enclosed.

**Fitzgerald's odor Fogger** can be used for up to ten vehicles with "mild" odor problems. Simply turn cap upside down, then "shoot" several short bursts throughout the vehicle's interior, or lock on the cap and spray a ten-second sweep.
