VRK2 VELOUR REPAIR KIT

Fitzgerald's has assembled this complete professional velour repair kit designed for the auto trimmer, detailer, mobile technician or furniture repairman.

This kit is designed as a great add-on service to an existing business. We have been supplying the automotive after-market since 1978 and have more the 2,000 successful refinishers throughout the world.

With the addition of a carrying tray which you can purchase locally, this kit compares to or exceeds others selling for up to \$2,000: some having only 30-70 colors. This kit would cost over \$700 if these materials were purchased individually.

The VRK2 Kit consist of the following items:
